Why leave a Bequest to St Andrew's Hospital Foundation?

By leaving a Bequest to St Andrew's Hospital Foundation from your Will, you can become an investor in our commitment to the provision of medical and surgical excellence, leaving a lasting legacy for the future.

The Foundation is a capital fund and therefore income from your bequest will go towards hospital development, maintaining state of the art equipment and technology as well as research and education.

A Will is an important document and we recommend for your own peace of mind that it be prepared by a practising legal professional to ensure that your accumulated or inherited assets will be distributed in accordance with your wishes.

If you would like to discuss leaving a specific gift or a Bequest with our Foundation Director, please provide your details so that we can respond appropriately to your enquiry.
